

Dancers & Parents,

Thank you all so much for auditioning for our company teams. We had a great turnout and are excited to begin planning our new season! The judges and instructors have carefully looked at each dancer and took into consideration our experience with each dancer over the entire season. We realize that everyone may not be completely satisfied with the results of our auditions. Please note that in each decision we have the dancer's best interest in mind as we don't want to advance a student before they are ready. At the same time, if a dancer shows great growth and potential then we may advance them into a higher age division/level if we feel they are capable. We thank you in advance for respecting our decisions as dance professionals with many years of instruction & experience under our belts. We have paired some instructors with teams and are currently working on pairing instructors with the remaining teams as we put together our 2018-2019 class schedule that will be released before V.I.P Registration/Student Appreciation Day on Sunday, April 29<sup>th</sup>.

If you have any questions about our company team audition results please email me directly at [director@danceeliteallstars.com](mailto:director@danceeliteallstars.com). We ask that you do not call or text the instructors directly with questions, and/or complaints about the audition results. After emailing me, I can get you in touch with the instructor or we can set up a meeting to discuss the results. We also ask that you "sleep" on the results before contacting us so that you and your dancer have more time to digest the outcome and to gain perspective. Occasionally we may accidentally leave a dancer name off of a certain team. This rarely happens but please do not be afraid to reach out if you think this may be the case.

Thank you again for auditioning! We are looking forward to another great dance season!

Sincerely,

Faith Knappenberger  
Director, Dance Elite All Stars

**Mini Jazz (Adrienne Moss)**
